PROFESSIONAL SERVICE TO COMMUNITY

Jenkins donated design and production services for King Pharmaceuticals' internal 2002 holiday fund raiser named *Bucks for Bowls: A Soup Affair for Christmas Share*. Invitation, ticket and recipe book designs aided King in generating more than \$38,000 to help assist 59 families purchase basic supplies, clothing and food.

His pro bono designs and illustrations for King Pharmaceuticals' 2003 holiday fund raiser, entitled *Christmas Chair for Christmas Share*, helped to draw contributors who built, refurbished or redecorated a number of antique and new chairs. The effort helped raise approximately \$30,000 to assist 57 families.

To help under-served families and indigent patients in the region, Jenkins donated design for an informational brochure for Healing Hands Health Center. Founded by community leaders and local churches, the Center was established to provide free medical, dental, eye, chiropractic, foot care and counseling services to the working uninsured. Over the first eight years, health care volunteers at the clinic have facilitated over 10,000 patient visits. Jenkins' brochure is an integral tool to help those in medical need know this service is within reach.

Jenkins donated service mark design for Appalachia Service Project, a Christian ministry that fosters human development by addressing the housing needs of Central Appalachia.

Jenkins also donated mark design services for Boone's Creek United Methodist Church.
